

ANAMOSA ATHLETIC BOOSTERS NEEDS YOUR HELP!

The Athletic Boosters is made up of a board of directors of 25 people. We are looking for help manning the concession stand. We sell concessions at volleyball games, girls and boys basketball, wrestling, girls and boys soccer, girls and boys track, softball and baseball. This involves well over a 100 different events. All of our profits go back to the students, both in middle school and high school. Over the last 5 years, we have spent approx. \$115,000; for uniforms and warm-ups, team equipment, weight room equipment, a new scoreboard, college scholarships, snack packs and many other things.

GET A FREE ACTIVITY PASS: By working in the concession stand for 5 different shifts, you can get a free activity pass for the whole year. We are also looking for people who would be considered “friends of the boosters.” This would be a list of people that are willing to be contacted to help out for additional shifts or for other events. This would involve working more than the five shifts. Please contact Eric Wickham ((eawickham@gmail.com) or Lisa Schepanski (dlschepanski@msn.com) or any other Booster Board of Director member if you would be willing to do this. To volunteer for a shift in the concession stand, Deb Hardersen has sign-up sheets available at the school at the time of registration, and also watch for email requests to help with different shifts..

We also are looking for booster sponsors. **Please consider supporting the Blue Raider Boosters by making a donation.**

- Sponsor levels include: silver \$20-\$150
- Gold \$150-\$299
- Platinum \$300-\$499
- Platinum plus \$500 or more

By sponsoring, you will show your support for our student athletes and school, and your name will be listed in the athletic program as a sponsor. Please return this to Deb Hardersen at the high school activity office or mail it to Holly Niernberger (secretary) 21214 100th St Anamosa, IA 52205..

We greatly appreciate any support you can give, either monetarily or with concession help. Together, we can make a difference. GO RAIDERS!!!
