Re: Scholarship Application

Attached is an application for two \$1000 scholarships to be awarded to graduating seniors at your school. Please post.

The Jones County Community Foundation Board would like a panel of teachers at your school to select the recipients based on community service in Jones County. Since the JCCF embodies 'giving back' to your community and Jones County through philanthropy, it is appropriate that we award these scholarships to students who have volunteered and shown a genuine regard for their community. It should not be based on scholastic achievement.

Once you have selected the recipients, please contact me with the following information:

1. Names of the 2 recipients.
2. Date and time of your awards event. We will have a JCCF board member present the scholarships.  
[Calib1973@q.com](mailto:Calib1973@q.com) 319-462-6944

Also, we will forward instructions on how to receive the checks once the student has provided proof of enrollment in the college of their choice.

The JCCF feels strongly about supporting the future generation of Jones County residents. We hope you will help us put these scholarships to good use.  
Thanks.
