

## **PLEASE HELP INSPIRE KIDS AT ANAMOSA MIDDLE SCHOOL!**

*Looking for a great way to get involved in your child's school? Junior Achievement is looking for classroom volunteers at Anamosa Middle School. This is a great way to help teach the students about money, saving and earning, careers, and many things in between through games, real life simulations and hands on activities. **Your time commitment is short** – volunteers go for 40-45 minutes once a week for 5 weeks. Junior Achievement provides all of the materials for the lessons, along with a detailed lesson guide to follow. Please don't let this opportunity pass by, contact Heather Weers at [hweers@jaeasterniowa.org](mailto:hweers@jaeasterniowa.org) for more information. Thank you for your consideration!*
