BOARD OF EDUCATION MEETING
February 7, 2011

ISSUE: Approval of 2011-2012 School Calendar

CONTACT: Brian Ney, Superintendent

BACKGROUND:

The proposed 2011-2012 School Calendar was developed by a calendar committee composed of 2 staff members from each of our three buildings. Rather than create three calendars and have people vote, we developed one calendar with input from all buildings.

This proposed calendar was sent to all staff for their review and we requested any comments or opinions be directed to a calendar committee member.

1. The State Fair ends on Sunday, August 21.
2. We are offering the “extra day for extra pay” professional development day for teachers on the Friday before we start with the required PD days. While we encourage all teachers to attend, this day is not mandatory. If a teacher is unable or chooses not to attend, there is no type of leave that can be used to allow the teacher to be paid for the day.
3. The first day of school is the corresponding day to this year.
4. Winter Break is the same number of days as this year. The actual calendar dates are also the same. The difference is that next year, we will have school on Thursday, December 22, and return on Tuesday, January 3. (This year, those dates were Wednesday and Monday.)
5. Spring Break is the same week as Kirkwood’s Spring Break next year.
6. We will keep the same PD early dismissal schedule for next year as we did this year. We worked with trying to have 2 days per month at 2 hours each, but most months had either extended vacations or a full-day PD already scheduled. It just did not work.
7. We will have Good Friday and Easter Monday off. Easter Monday will be a designated Snow Make-Up day, however.

THE SUPERINTENDENT’S RECOMMENDATION IS:

“Approve the 2011-2012 school calendar. Because of the start date prior to August 30, we will be requesting an Early Start Waiver from the Department of Education.”

**BOARD OF EDUCATION MEETING
February 7, 2011**

ISSUE: Purchase of Driver Education Car

CONTACT: Matt English, Transportation Director

BACKGROUND:

Our current driver education car is a 2002 Sebring with 138,000 miles. We have the opportunity to trade that vehicle and purchase a 2003 Chevrolet Impala with 72,000 miles. The cost is \$6,000 (includes trade). This purchase will be taken out of the driver education budget. This purchase would be made through the Wayne Hall Chrysler-Jeep-Dodge dealership in Anamosa.

THE SUPERINTENDENT'S RECOMMENDATION IS:

“approve purchase of 2003 Chevrolet Impala for \$6,000 which includes trade of 2002 Sebring.”

**BOARD OF EDUCATION MEETING
February 7, 2011**

ISSUE: Approval of Educational Service Agreements between Anamosa Schools and Kirkwood Community College.

CONTACT: Brian Ney, Superintendent

BACKGROUND:

Enclosed you will find copies of 28E Agreements for Computer Networking Academy and Metal Fabrication Academy. These are updated contracts because of changes in the name and description of the course. The purpose of these agreements is to assist Anamosa students with the opportunity to enroll in these courses not offered in our district or to accommodate their schedule to be able to attend Kirkwood Academy classes.

These agreements automatically renew for successive one year periods unless either party notifies the other party in writing of its termination.
