

# ***Anamosa Boosters***

## ***2018/2019 Sponsor Sign Up Form***

***To: Sponsors***

Annually the Anamosa Booster Clubs solicit businesses and individuals for support of Anamosa athletics, choir and band. We are seeking your support through advertising in our sports, choir and band programs for the 2018-2019 school year.

The Anamosa Booster Clubs are groups of volunteers who give their time to raise money to help our student athletes, choir, and band members. The funds raised by the Booster Clubs have helped the school's athletic, choir, and band programs in many ways. In past years, the clubs have purchased sports and band uniforms, choir robes, show choir costumes. The boosters have provided supplies, equipment, and instruments for the sports and band members. The clubs have purchased a new scoreboards, music and choreography, reconditioned wrestling mats, new sound system for the gym, an end zone camera, risers, a computerized track timer, show choir costumes, an indoor batting cage, color guard items, an ice machine and locker room clocks. The clubs have also provided college scholarships, made donations to the Post Prom, sponsored team camps, and contributed funds for team snack-packs. Two of the major items supported in the past two years is a \$25,000 donation toward renovations in the Marshal Yanda Weight Room at Anamosa High School and purchase of a Yamaha Conservatory Grand Piano with disklavier system now being used in the Ellen Kennedy Fine Arts, Center Stage.

To show our appreciation, for you donation, we are offering a variety of different avenues for you to appear in our multiple sports, music, band programs, on team's posters and social media. Our various levels of sponsorship as listed on the back side of this form.
