***to make a difference
for
Child Abuse Prevention Month***

This month recognizes the role we all play in supporting Iowa's families. By helping parents manage stress, strengthen connections, and gain parenting skills, we can ensure more children grow up safe, nurtured and able to reach their full potential. YOU can take action. Listen to a child's story, be a positive role model, give a child your full attention, or help a stressed parent. YOU have the power to help every child you interact with each day! Throughout April, watch for the blue pinwheel as the symbol of hope. This represents a happy, carefree childhood, and the bright future we want for all children.
