Please return your original picture packet to school on retake day.

## PBIS Corner

Welcome back to our monthly PBIS corner of the Strawberry Hill Newsletter! We are hard at work making sure all of the students are getting back into their daily routines. We have already held our first three assemblies, and are always welcoming parents to come join us for those! We want to see our students skyrocket toward success so our theme for the year is *Shoot for the Stars*. We look for our students showing the Raider Way in school. By being SAFE, KIND, READY, and RESPECTFUL they can earn tickets for positive behavior! Our focus for the month of November is being KIND, and our staff will be nominating kids for Student of the Month if they are consistently showing KINDness to others at Strawberry Hill.

For details concerning these events, please go to Strawberry Hill Elementary Virtual Backpack at the Anamosa Community School website [www.anamosa.k12.ia.us](http://www.anamosa.k12.ia.us) or contact the Strawberry Hill Office.
