

What is Clover Kids?

Clover Kids is a FUN 4-H youth program specially designed for children in Kindergarten-3rd grade. Clover Kids fosters positive relationships and builds valuable life skills through a variety of hands-on activities.

What do Clover Kids do?

- Investigate Science, Technology, Engineering, Arts & Math
- Explore literacy through fun, engaging ways to read and write
- Learn the importance of being healthy and physically active
- Practice communication skills and learn to work as a team
- Make new friends

How do I register my child?

To register for a Clover Kids club, please contact Devan Cress at dcress@iastate.edu or 319-465-3224. Spots are limited.

Is there a fee?

Enrollment is \$30 for the year, which covers supplies and other program costs. Scholarships are available. Contact Devan Cress for questions or more information regarding financial aid.

What's the next step after Clover Kids?

Once your child reaches 4th grade, they can continue their 4-H experience by joining a community club (see reverse side for list), where they can:

- Attend club meetings
- Exhibit at the county fair
- Meet new friends
- Help others in club citizenship activities
- Share with others through communications
- Have fun with others at camps, fun nights, workshops and fair

4-H 

GROWS LEADERS

What is 4-H?

4-H is a community of young people across America who are learning leadership, citizenship and life skills offered through a variety of settings, including: Clubs, schools, day camps, overnight camps, afterschool programs and other learning environments. 4-H gives kids and teens opportunities to experience life skills and to practice them in a safe environment with caring adults.

Who can join?

For youth in grades 4th through 12th, 4-H is a place where you can make new friends in your community. Want to get started earlier? See the reverse side for Clover Kids information.

How do I get started?

Pick what interests you! In 4-H, there are endless projects to explore. Some examples include:

- Science and Engineering
- Technology and Robotics
- Agriculture and Natural Resources
- Food and Nutrition
- Clothing and Sewing
- Home Improvement
- Animals
- Leadership
- Woodworking
- Shooting Sports
- Horticulture
- Photography
- Creative Arts

Contact the ISU Extension and Outreach office for Jones County to learn more and find a club. We'll connect you with the club leader(s) so you can visit a club meeting and meet other 4-H members.
