PBIS

Dear Families,

Welcome to the new year! With winter weather still among us, our emphasis for the month of January is going to be on keeping our coat rooms and lockers organized. These areas can be tough for students to keep clean with all the layers we need to wear to be READY for cold weather. Our staff will also be watching our students to see if they are READY in all areas of the school, and at the end of the month those students that consistently show the ability to be READY may be nominated for the student of the month. Our teachers and students will continue to work through our social-emotional learning curriculum, Second Step, as we welcome each other back to school! If you would like to join us for our assembly to kick off the new year, we will be starting at 8:35 on January, 7th. We would love to see you there!

Happy New Year!
