

LiveHealth Online

Need to see a doctor late at night? Can't make it to your doctor's office?

With LiveHealth Online, you have another way to get care. You can video chat with a doctor anytime, day or night.

Why should I use LiveHealth Online?

- It's a great service for many illnesses such as colds, flu, fevers, rashes, infections and allergies.
- You can see a doctor through a video chat session on your smartphone, tablet or computer.
- Your video chats are private and secure.
- Each session usually only lasts about 10 minutes, and you won't have to sit in a waiting room for a long time.
- It can be a convenient and easy way to see the doctor when your doctor isn't available, it's late at night or you simply can't make it to the doctor's office.
- And it's no cost to our members.
