

Anamosa Parks & Recreation

2021 Spring Coed Youth Soccer

April 18-May 24

Our Spring Program is designed to help kids work on skill development while having fun. The primary emphasis is on learning the game of soccer and providing a good quality, safe experience for the players. Children are introduced to team sports, teammates, and game situations while learning the basics of Soccer in a fun atmosphere.

This session will begin with an instructional clinic, followed by four weeks of games. Clinic and games will be held at the Anamosa Middle School field complex. Schedules will be available late April. Fee includes a team shirt.
