

DISCOVERY CAMP

SUMMER SCIENCE

for kids in grades K-5

2021 Theme "Helicopter Hang-Time"

Experience "Hands-On" Summer Science:

- Explore types of flight and the dynamics and engineering involved in flight.
- Campers will explore hands on challenges using state of the art technology and tools.
- Engage in physical activity to promote healthy lifestyles, and create snacks to feed their mind and bodies.

Fee includes: daily curriculum materials and snacks.

****Monticello and Anamosa divide AM/PM camp by grades****

Scholarships are available to help cover camp costs.
