

IOWA

WILDLIFE CAMPS

JULY 18-22

Palisades-Kepler State Park

Wildlife Camps will offer a mixture of conservation education and adventure recreation. Our activities will include:

- Studying the wildlife, including mammals, birds, amphibians, reptiles, fish, and insects
- Exploring the woodlands, wetlands, prairies, and other natural habitats
- Learning about park history and its unique geological and archaeological features

Cost: \$160 *For students entering grades 3-7.*

Spots are limited! *Learn more about our day camps and register at:*
