

Jones County Extension & Outreach is proud to be able to offer opportunities for Jones County youth that spark curiosity and engage critical thinking. We will be offering Summer Discovery Camps for youth, Kindergarten through 5th grade. Camper must have completed K-5th grades this May/June. Summer Discovery Camp 2022 will have the theme “Storytime STEM: with interesting topics: Giraffes Can’t Dance, Secret Life of Squirrels, We are the Gardeners, and Bee Dance. Youth will learn about making music, dancing, and making hand pollinators. Each day will include Storytime to set the stage for the camp time. Also, we will have physical activity to promote healthy lifestyles and create snacks to feed their mind and bodies.

Iowa State University Extension and Outreach has offered Summer Discovery Camps in Jones County since 2006. We are able to deliver in-person Summer Discovery camps in the summer of 2022. Jones County Extension & Outreach trains staff to ensure students have the opportunity to experience a high-quality learning environment.

Jones County Extension & Outreach is committed to providing STEM opportunities to our youth at a reasonable price. Summer Discovery camps registration will be \$30 per youth in the summer of 2022. Registration fees contribute to the cost of the camp supplies, snacks, staff, and mileage.
