

## **Would you like to help make sure every child eats a school meal regardless of their situations?**

Please Consider Making a Donation to Help a Student in Need.

During the pandemic the USDA provided a waiver allowing schools to serve meals free to all students, that waiver has since expired. While the federal government provides free or reduced-price meals for families that qualify, many families who are just above these income guidelines still struggle to make ends meet and, unfortunately, accumulate school meal debt.

Anamosa Community School District maintains an “**Angel Account**” funded by donations. Donations come from individuals, businesses and charitable organizations. The Angel Account is used to cover temporary shortfalls in student meal accounts.

You can help by donating funds to ensure students receive a school meal even if they’ve forgotten their meal, they have no money in their account. No amount is too small, every little bit helps.

We sincerely appreciate your consideration and your support of providing proper nutrition for our students so they may continue to learn and grow.

Donations may be sent to:           Anamosa Community School District  
  Nutritional Services Department  
  200 South Garnavillo Street  
  Anamosa, IA 52205

Or donations may be dropped off at any school office. Please write in the memo field: “Angel Account.”
