

Dear _____

Each year, about this time, we look forward to an opportunity to communicate with you about supporting the Anamosa Athletic and Music Booster programs. We are so grateful for your past support of these programs, and we hope that you have benefited from our partnership.

Included with this letter is a reminder of your support in the past, as well as a list of sponsorship levels for the coming year. In return for your sponsorship, your name as printed below will be prominently displayed at events. Our students and our school programs are grateful to you for your support. Without it, so many of the programs we take for granted would be curtailed.

Please read through the enclosed sponsorship options and consider donating. We appreciate your partnership in helping to shape and nourish our students through both the athletic and music programs at our school. Should you have any questions, please contact Laura Secrist at 319-481-0160.

Sincerely,
The Anamosa Athletic and Music Booster Clubs
